Sign and circulate the CPUSA Pledge to help mobilize a collective vote against fascism in November and build the movement for the future: <https://cpusa.org/get-out-the-vote/>

Campaign hub at cpusa.org geared to mobilization efforts of clubs and districts: for a lasting movement to defeat MAGA fascism and build for the future. Show what is being done across the country and how to get involved including work with labor and community allies. Highlight local election work, relevant People’s World stories and Good Morning Revolution podcasts.

Circulate People’s World articles on the struggle for democracy and the 2024 elections with allies, comrades, and friends to help build broad united people’s unity and action. Help clubs and districts prepare local articles that give examples. <https://peoplesworld.org/>

One page bi-lingual popular fliers: 1) CPUSA Election Program for 2024. 2) Fascism: What it Means for You.? 3) “Vote as if your life depends on it – it does” (issues comparison sheet on Project 2025) 4) Also utilize Immigration Myths v Facts pamphlet.

Town Hall (virtual) on how to organize against fascism and for our future at the local level. The issues and how we present the issues as a major step to get out the vote. How we join with all organizations fighting for democratic rights.

KEY RACES

Identify key races at state level and Congress where an extreme right-wing candidate can be defeated or where a champion for worker rights can be elected or has to be protected. Assist districts and clubs in developing a strategic approach that builds broad unity to mobilize the vote around issues, working with unions and other people’s organizations.

Possible weekend teams from nearby districts to work with comrades in a key battleground race, to be planned out with our national organization.

BALLOT INITIATIVES

Mobilize around ballot initiatives that defend and expand democratic rights to inspire voter participation and turnout.

CLUBS & DISTRICTS

Provide resources to help clubs build the movement around issues where they are and connect to the urgency of this election for self, kids, parents, community and co-workers. Build a base by going door-to-door to talk issues, register voters, get out the vote, and build relationships through readers of People’s World.

Participate with unions, community and youth groups in door knocking and mass gatherings to build enthusiasm and confidence to defend democracy, register voters, and get out the vote.

Workshops on how to run candidates to assist districts for possible future candidates for local elected office among club members and lay the groundwork with all-out organizing to get out the vote in this election, consulting with state leadership and the Communist Candidates subcommittee of Political Action Commission.
